**RE: Exemption #: E-001-011 – Surgery Center of Southern Illinois
Applicant: Cirurgia Centro, LLC., 6530 Moake School Road, Marion, Illinois**

Dear Mr. Osman:

On June 28, 2011, the Illinois Health Facilities and Services Review Board (State Board) approved your request for an exemption for the change of ownership for Surgery Center of Southern Illinois, 806 N. Treas, Marion, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.500 and 1130.520. The change of ownership transaction will result in Marion Surgery Center, Ltd., 806 N Treas, Marion, Illinois being the licensee and operating entity. The owner of the site is Marion Surgery Center, Ltd. The anticipated acquisition price is \$1,512,500. The project completion date is June 30, 2011.

CONDITION: As part of the approval of the exemption of the change of ownership you have agreed to provide services to all patients that do not have the ability to pay. You will report to the State Board on an annual basis the status of patients that could not pay.

You are reminded that a final cost report must be submitted to the Agency no later than 60 days following the anticipated project completion date and failure to complete the project by the anticipated project completion date will invalidate the exemption. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this project. **Please note the Illinois Department of Public Health will not license the proposed facility until such time as all of the exemption requirements have been completed.**

Please contact Mike Constantino at (217) 782-3516 should you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Courtney R. Avery".
