13.1. Termination Prior to Closing. Notwithstanding anything herein to the contrary, this Agreement and the Transaction contemplated by this Agreement may be terminated at any time prior to Closing under any one of the following circumstances:

13.1-1 Mutual Consent. By mutual written consent of the Parties, acting through their respective boards of trustees;

13.1-2 Legal Proceedings. By either Party, if at the time of Closing: (a) a bona fide action or proceeding shall be pending against any Party wherein an unfavorable judgment, decree or order would prevent or make unlawful the carrying out of the transactions contemplated by this Agreement; or (b) any governmental agency shall have notified any Party that the consummation of the transactions contemplated herein would constitute a violation of Applicable Laws and that it has commenced or intends to commence proceedings to restrain the consummation of the transactions contemplated herein, and such agency has not withdrawn such notice prior to such termination;

13.1-3 Conditions Precedent to Closing. By either Party if the conditions of this Agreement to be satisfied or performed by the other Party at or before Closing become incapable of satisfaction or performance other than as a result of a breach of this Agreement by the terminating party;

13.2. Effect of Termination. The termination of this Agreement by a Party pursuant to Section 13.1 shall:

13.2-1 Terminate all further obligations of the Parties hereunder; and

13.2-2 If exercised by a Party prior to Closing, be the sole and exclusive remedy for breach of any representation, warranty or covenant made by another Party under this Agreement prior to Closing.

14. GENERAL

14.1. Legal Fees and Costs.

14.1-1 Hoopeston shall pay the fees, expenses and disbursements of Hoopeston and Nursing Home and their respective agents, representatives, accountants, and counsel incurred in connection with the subject matter hereof and any amendments hereto, including but not limited to all fees associated with the process of applying for and obtaining a Certificate of Need from the Illinois Health Facilities and Services Review Board for the transactions contemplated by Section 6.1.

14.1-2 Carle shall pay the fees, expenses and disbursements of Carle and its agents, representatives, accountants, and counsel incurred in connection with the subject matter hereof and any amendments hereto, including but not limited to all fees associated with the process of applying for and obtaining a Certificate of Need from the Illinois Health Facilities and Services Review Board for Carle's membership interest acquisition of Hoopeston as contemplated by this Agreement.

14.1-3 In the event a Party elects to incur legal expenses to enforce any provision of this Agreement against the other Party, the prevailing Party shall be entitled to recover such legal expenses, including attorneys' fees, costs and necessary disbursements, in addition to any other relief to which such Party shall be entitled.

14.2. Choice of Law. To the extent permitted by applicable law, the Parties agree that this Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without giving effect to any choice or conflict of law provision or rule thereof.

14.3. Benefit; Assignment. Subject to provisions herein to the contrary, this Agreement shall inure to the benefit of and be binding upon the Parties hereto and their respective successors and permitted assigns. No Party may assign this Agreement, or any of its respective rights, duties or obligations set forth in this Agreement, without the prior written consent of each of the other Parties.

14.4. Public Announcements; Confidentiality. No public announcement concerning this Agreement or the transactions contemplated hereby shall be made without the advance approval of each of the Parties hereto, in writing, both as to timing and content of such announcement. The Parties agree to continue the confidentiality restrictions set forth in that certain Letter of Intent dated December 2010 until the Closing at which time said confidentiality restrictions shall terminate.

14.5. Waiver of Breach. No waiver of a breach of a condition or covenant set forth herein shall be deemed to have occurred unless the aggrieved Party shall notify the breaching Party in writing of its election to waive such breach (no failure to insist on strict performance of any covenant, agreement, term or condition of this Agreement shall constitute a waiver of any

breach of such covenant, agreement, term or condition). Unless such written notice of election of waiver is furnished, the aggrieved Party reserves the right to terminate this Agreement, subject to the covenants and conditions contained herein pertaining to termination. The waiver by either Party of breach or violation of any provision of this Agreement shall not operate as, or be construed to constitute, a waiver of any subsequent breach of the same or other provision hereof.

14.6. Notices. Any notice, demand or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personal delivery is tendered, when receipt by the receiving party is confirmed by the sender's facsimile machine, the day after the notice is deposited with a reputable overnight delivery service for next-day delivery, postage or freight prepaid, or five (5) days after being deposited in the United States mail, with postage prepaid thereon, certified or registered mail, return receipt requested, which notices shall be addressed as follows:

or to such other address, and to the attention of such other person or officer as a Party may designate by providing written notice of such to each of the other Parties in accordance with this Section.

14.7. Severability. It is the intent of the Parties hereto that the provisions of this Agreement shall be enforced to the fullest extent permissible under the laws and public policies of the State of Illinois. In the event any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason and in any respect under the laws of the State of Illinois, such invalidity, illegality, or unenforceability shall in no event affect, prejudice or disturb the validity of the remainder of this Agreement, unless doing so would result in an interpretation of this Agreement that is manifestly unjust to either or both of the Parties. Accordingly, if any provision of this Agreement shall be determined to be invalid or unenforceable, either in whole or in part, this Agreement shall be deemed amended to delete or modify, as necessary, the invalid or unenforceable provisions, or portions thereof, and to alter the balance of this Agreement in order to render the same valid and enforceable.

14.8. No Inferences. Inasmuch as this Agreement is the result of negotiations between sophisticated Parties of equal bargaining power represented by counsel, no inference in favor of, or against, either Party shall be drawn from the fact that any portion of this Agreement has been drafted by or on behalf of such Party.

14.9. Divisions and Headings. The divisions of this Agreement into sections and subsections and the use of captions and headings in connection therewith are solely for convenience and shall have no legal effect in construing the intent or otherwise interpreting the provisions of this Agreement.

14.10. No Third-Party Beneficiaries. The terms and provisions of this Agreement are intended solely for the benefit of Hoopston, Nursing Home, and Carle, and their respective permitted successors or assigns, and it is not the intention of the Parties to confer, and this Agreement shall not confer, third-party beneficiary rights upon any other Person.

14.11. Entire Agreement; Counterparts; Amendment. Subject to Section 14.4, between Carle, Hoopston and Nursing Home, this Agreement supersedes all previous and/or contemporaneous contracts and agreements by and among the Parties hereto, whether oral or written, including the Letter of Intent executed by the Parties in December of 2010 and the Term Sheet executed by the Parties in March of 2011, as amended and/or restated, and constitutes the entire agreement of and between the Parties of whatsoever kind or nature with regard to the subject matter hereof. No Party shall be entitled to benefits other than those specified herein. As between the Parties, no oral statement or prior written material not specifically incorporated herein shall be of any force and effect. Each of the Parties specifically acknowledges that in entering into and executing this Agreement, the Party relied solely upon the representations and

agreements contained in this Agreement and no others. All prior representations or agreements, whether written or verbal, not expressly incorporated herein, are void and of no force and effect. This Agreement may be executed in counterparts, each and all of which shall be deemed an original and all of which together shall constitute but one and the same instrument. This Agreement may only be amended in a writing executed by the duly authorized representatives of the Parties, effective as of the date stipulated therein.

14.12. Time of the Essence. It is expressly agreed by the Parties that time is of the essence with respect to this Agreement and the performance of the obligations hereunder.

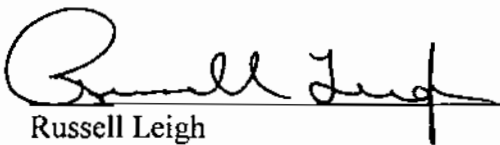

14.13. Indemnification of Carle. Nursing Home will indemnify, hold harmless, and defend Carle, and its respective officers, directors, trustees, employees, or agents (collectively, the “**Indemnitees**”) from and against any and all losses, damages, expenses (including reasonable attorneys’ and expert fees), claims, liabilities, suits or actions (“**Claims**”), resulting from the acts or omissions of Nursing Home or Hoopeston that constitute breaches of any representations, warranties, or covenants made by Nursing Home or Hoopeston in this Agreement. The foregoing indemnification obligations require that: (i) Carle shall notify Nursing Home in writing of the Claim within a reasonable period of time after becoming aware of such claim; and (ii) Nursing Home has primary control of the defense and all related settlement negotiations. Failure of the foregoing obligations shall affect the indemnification obligation only to the extent such failure materially and adversely impacts the ability of Nursing Home to successfully defend against the Claims. Nursing Home agrees that any settlement of such claim or cause of action shall release Carle and the Indemnitees fully, absolutely, and finally from any liability related to such cause of action. Nursing Home shall not agree to a settlement which names Carle or an Indemnatee as culpable absent the prior written consent of such Indemnatee. In the event that Nursing Home, in the reasonable judgment of Carle, lacks the financial resources to adequately and timely defend such claim or if Nursing Home has indicated in writing its unwillingness to so defend such claim, Carle may defend and Nursing Home shall reimburse, all costs related to such defense. Notwithstanding anything contained herein to the contrary, Nursing Home’s indemnification obligations hereunder shall not exceed an amount, in the aggregate, equal to the amounts paid by Carle to Nursing Home pursuant to Section 6.1-2.
