**RE: Exemption # E-002-12 - Hoopeston Community Memorial Hospital**

Dear Mr. Segovich:

On July 23, 2012, the Illinois Health Facilities and Services Review Board (State Board) approved your request for an exemption to permit for the change of ownership for Hoopeston Community Memorial Hospital, located at 701 E. Orange Street, Hoopeston, Illinois. The approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.500 and 1130.520.

The change of ownership is the result of a change in the membership or sponsorship of a not for profit corporation that is an Illinois licensed health care facility. Carle Foundation Hospital will become the sole corporate member of Hoopeston Community Memorial Hospital. The licensee/operating entity and the owner of the site is Hoopeston Community Memorial Hospital. The fair market value and anticipated acquisition price is \$2,700,000. The project completion date is July 23, 2013.

You are reminded that a final cost report must be submitted to the Agency no later than 60 days following the anticipated project completion date and failure to complete the project by the anticipated project completion date will invalidate the exemption. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under Section 14 of the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable to this project. Please note the Illinois Department of Public Health will not license the proposed facility until such time as all of the exemption requirements have been completed.

Please contact Mike Constantino at (217) 782-3516 should you have any questions.

Sincerely,

  
Courtney Avery, Administrator

Illinois Health Facilities and Services Review Board
