Narrative Description

CHE Trinity Inc. (“CHE Trinity”) and Trinity Health Corporation (“Trinity”) hereby seek a Certificate of Exemption (“COE”) from the Illinois Health Facilities & Services Review Board (the “Board”) to allow consummation of a proposed merger (the “Transaction”), whereby CHE Trinity, the sole corporate member of Trinity, and Catholic Health East (“CHE”) will merge with and into Trinity, with Trinity resulting as the surviving corporation.

The Transaction is the second and final phase of a two phased transaction which was previously approved by the Board on May 15, 2013 by Exemption Numbers 011-13, 012-13, 013-13, 014-13 and 015-13. In the initial phase of the transaction, CHE and Trinity began the process of consolidating and CHE Trinity became the sole corporate member of Trinity and CHE. The Transaction described herein is the second step to the transaction, which was contemplated in the prior COE Applications and is described in more detail below.

Under the terms of the Transaction, CHE Trinity, Trinity and CHE will merge together and consolidate into Trinity and will establish a structure to address the rapidly changing health care environment that requires more focus on population health and the delivery of more coordinated and integrated care and health and wellness services. The Transaction will be the final step in the creation of a health system that serves people in 20 states from coast to coast with 86 hospitals, 13 PACE programs, 44 home care agencies operating in 160 counties, and 52 other continuing care communities.

In addition, there will be no purchase or sale of the assets and no funds will be exchanged pursuant to the Transaction. Trinity will preserve its charitable and Catholic identity and will continue to be subject to the Ethical and Religious Directives for Catholic Health Care Services.

As this Transaction is merely the consolidation of the parent entities (i.e., CHE Trinity, Trinity and CHE) there will be no direct impact on their downstream entities. Notably, the downstream entities will continue, as of the effective date of the Transaction, to (i) maintain their own existing licenses, provider numbers and accreditations; (ii) furnish the services they are currently furnishing; and (iii) operate as organizations currently exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code. Moreover, none of the tax identification numbers will change for any of the downstream entities. Further, the downstream entities currently licensed by the State of Illinois will remain the licensed entities with no change in facility name or location. Again, there will be no purchase or sale of the assets and no funds will be exchanged, in any regard, pursuant to the Transaction.

In terms of the Transaction’s specific connection to Illinois, Trinity is currently the sole corporate member of Loyola University Health System (“LUHS”) and Mercy Health System of Chicago (“Mercy System”).

LUHS owns and operates (either directly or through its affiliates) the following Illinois licensed facilities:

(1) Foster G. McGaw Hospital - Loyola University Medical Center (“LUMC”), a 569 bed general acute care hospital located in Maywood, Illinois;

(2) Gottlieb Memorial Hospital (“Gottlieb”), a 264 bed general acute care hospital located in Melrose Park, Illinois;

(3) Loyola University Medical Center Outpatient Dialysis Center (the “LUMC Dialysis Center”), a provider based, 31 station end stage renal disease facility located in Maywood, Illinois; and

(4) Loyola University Medical Center Ambulatory Surgery Center (the “LUMC Surgery Center”), a provider based, 8 operating room ambulatory surgery center located in Maywood, Illinois.

LUMC, Gottlieb, LUMC Dialysis Center, and LUMC Surgery Center are collectively referred to herein as the “LUHS Illinois Licensed Facilities.”

Mercy System owns and operates (either directly or through its affiliates) the following Illinois licensed facility:

(1) Mercy Hospital & Medical Center (“Mercy Hospital”), a 449 bed general acute care hospital located in Chicago, Illinois.

The LUHS Illinois Licensed Facilities and Mercy Hospital are collectively referred to herein as the “Trinity Illinois Licensed Facilities.”

Separate COE Applications have been simultaneously filed for each of the Trinity Illinois Licensed Facilities.

CHE does not currently own or operate any Illinois licensed facilities; nor will CHE own or operate any Illinois licensed facilities as a result of the Transaction.

Because the Transaction will result in a merger of three entities that own or control an Illinois licensed facility (as well as its physical plant and capital assets), the Transaction constitutes a change of ownership under Section 1130.140 of the Board’s rules. The Transaction is set to close on or about July 1, 2014, subject to regulatory approvals.

Gottlieb is the specific subject of this COE Application. However, this COE Application has been filed simultaneously with the COE Application for LUMC. The LUMC COE Application is the “lead” COE Application and the contents of the LUMC COE Application are incorporated herein by reference. This COE Application must be read in conjunction with the LUMC COE Application because the LUMC COE Application contains the relevant attachments and notes.
