Dear Ms Wright:

On February 16, 2016, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) approved your request for a Change of Ownership. This approval was based upon the application's compliance with applicable provisions of 77 Ill. Adm. Code 1130.140 1130.520 and P.A. 99-0154. The change of ownership is for Dixon Dialysis Center, LLC, 101 W. Second Street, Dixon, Illinois. The entity to be licensed is Fresenius Medical Care Quad Cities, LLC d/b/a Fresenius Medical Care Rock River - Dixon. The exemption is for the assignment or transfer of assets resulting in the issuance of a license to an entity different from the current licensee. The fair market value of the transaction is \$2,355,000.

If applicable, within 90 days of the closing date of the transaction, the exemption holder must certify that it did or did not complete the transaction according to the key terms detailed in the application. If any of the key terms of the transaction changed, a new application will be required. Exemption holders who submitted the final transaction document along with their application merely need to notify the State Board of the date the ownership changed.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition. Should the facility for which the Exemption was granted cease to be an existing health care facility as defined in 77 Ill. Adm. Code 1130.140, this exemption will be invalid.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson". The signature is written in a cursive style with a long horizontal line extending from the end of the name.
