RE: Dialysis Newco, Inc., U.S. Renal Care, Inc., and Rangers Renal Holdings, L.P.,
Exemption Number E-010-15

Dear Courtney:

In accordance with Section 1130.570 of the rules of the Illinois Health Facilities and Services Review Board (the "Board") (77 Ill. Adm. Code 1130), Dialysis Newco, Inc., U.S. Renal Care, Inc., and Rangers Renal Holdings, L.P. (collectively, the "Applicants") hereby notify the Board that, on December 31, 2015, they completed the change in ownership of the parent owner of DSI Scottsdale Renal Center (the "Facility"). Applicants completed the transaction in accordance with the key terms in their Application for Exemption; that is through a stock swap between the parent company of the Facility and Rangers Renal Holdings, L.P.

Because the stock swap did not affect the legal status of the limited liability company that operates the Facility, the Facility's Medicare certification remains unchanged, and Medicare did not issue a new certification relative to the change of ownership. Also, IDPH does not license dialysis facilities. Therefore, the Facility cannot provide the Board with a copy of a new certification or license.

Please do not hesitate to contact Ed Clancy or me, if you have any questions or require additional information.

Sincerely,

Gretchen E. Harper
