RE: Discontinuation of a Category of Service Exemption
Exemption: E-010-16, Heartland Regional Medical Center, Marion
Exemption Holder: Marion Hospital Corporation d/b/a Heartland Regional Medical
Center - Community Health Systems, Inc.

Dear Ms Ranalli:

On February 16, 2016, the Chairwoman of the Illinois Health Facilities and Services Review Board (State Board) approved your request for the discontinuation of a category of service. This approval was based upon the application's compliance with applicable provisions of P.A. 99-0154. The exemption is for the discontinuation of the Open Heart category of service. There is no cost to this transaction.

Please be advised that the Exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable prior to this acquisition. PA 99-0154 requires that the hospital notify the State Senator and State Representative representing the legislative district in which the hospital resides within thirty (30) days of the approval date of this discontinuation.

Should you have any questions or concerns please contact Mike Constantino or George Roate of my staff at Mike.Constantino@illinois.gov or George.Roate@illinois.gov or 217.782.3516.

Sincerely,

A handwritten signature in black ink that reads "Kathy Olson".
