Dear Ms Ranalli:

On November 17, 2015, the Illinois Health Facilities and Services Review Board (State Board) approved your request for the discontinuation of a 90 bed acute care hospital located at 111 Spring Street, Streator, Illinois. Please be advised that the exemption is not transferable or assignable and that the State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable. Please contact State Board staff at 217-782-3516 with any questions.
