Dear Ms. Ranalli:

On July 7, 2017, the State Board received your letter completing the exemption application for the discontinuation of St. Mary’s Hospital, located at 111 Spring Street, Streator, Illinois. Our records will show that the service was discontinued on January 6, 2016. No further action is required by the exemption holder in relation to the Illinois Health Facilities Planning Act.

The State Board's approval does not exempt the transaction from any other regulatory, certification or licensure requirements that may be applicable.
