RE: Exemption Completion
Health Facilities Planning Act
PROJECT: E-024-13 Prairie Surgicenter Associates, LLC
PERMIT HOLDERS: St. John's Hospital of the Hospital Sisters of the Third Order of St. Francis; Hospital Sisters Health System; and Hospital Sisters Services, Inc.

Dear Ms. Bulpitt:

We received your written notice of exemption completion and the supporting documentation that is required. The reports are in compliance with Sections 1130.140, 1130.500 and 1130.570 of the Board's rules (77 Ill. Admin Code 1130).

No further action by the exemption holder is required for this project in relationship to the Illinois Health Facilities Planning Act unless this permit was issued by the Board with any stipulations or conditions that require continued reporting.

The exemption holder is reminded that the rules under which the application was approved, and the exemption issued, may include limitations and assurances as to the ongoing performance of this project. Failure to comply with any ongoing performance requirements could invalidate the exemption and expose the permit holder to any fines, penalties, or other sanctions provided by the Board's Act and Rules.

Should you have any questions, please contact Mike Constantino or George Roate at (217) 782-3516.

Sincerely,

Courtney Avery, Administrator
Illinois Health Facilities and Services Review Board
