**Re: Advisory Opinion
Modernization of St. Margaret's Hospital Pharmacy Department**

Dear Mr. Muntz:

On April 16, 2019 we received your request for an advisory opinion if a certificate of need is required for the expansion and modernization of the pharmacy department located at St. Margaret's Hospital, 600 E. First Street, Spring Valley, Illinois at a cost of approximately \$462,500. Based upon the information provided the proposed modernization does not require a certificate of need.

This opinion is based upon the information contained in your request, the Health Facilities Planning Act, and the current rules of the State Board. This is a staff advisory opinion and does not constitute a determination by the State Board.

This opinion relates solely to the applicability of certificate of need requirements and is based upon the applicable statutory requirements, rules and regulations in effect as of this date. In addition, you are advised that this opinion does not address the applicability of or need to comply with any other regulations or requirements of other programs or agencies, such as licensing or certification. Please advise and give notice to the State Board when the transaction as described in your correspondence becomes effective.

If you should have any questions please contact Mike Constantino or George Roate at 217.782.3516 or Mike.Constantino@illinois.gov or George.Roate@illinois.gov

Sincerely,

A handwritten signature in cursive script that reads "Mike Constantino".
