

Interagency Committee on Employees with Disabilities

The purposes and functions of the Committee are: (1) to provide a forum where problems of general concern to State employees with disabilities can be raised and methods of their resolution can be suggested to the appropriate State agencies; (2) to provide a clearinghouse of information for State employees with disabilities by working with those agencies to develop and retain such information; (3) to promote affirmative action efforts pertaining to the employment of persons with disabilities by State agencies; and (4) to recommend, where appropriate, means of strengthening the affirmative action programs for employees with disabilities in State agencies.
