## **OVERVIEW**

The Civil Service Commission began the year seeking and receiving an appropriation of \$446,200 for fiscal year 2020.

On July 31, 2019, Executive Director Dan Stralka retired after 16 years of service to the Commission. His dedication and leadership are very much appreciated.

On September 16, 2019, Thomas Klein became the new Executive Director of the Civil Service Commission.

In February 2020, Commissioner Casey Urlacher resigned from the Commission. The Commission thanks Commissioner Urlacher for his seven years of diligent service. He was replaced by Teresa Smith, who joined the Commission in August 2020.

Commission Staff worked with the Department of Innovation and Technology to develop a disaster recovery plan in the event access to computer systems is ever disrupted.

In March 2020, the Civil Service Commission adjusted its operations in response to the COVID-19 pandemic. The Commission's office was closed for much of the spring, but the business of the Commission continued. Employees were able to access their office computers remotely from home. Hearings were conducted by telephone or video conferencing. Monthly Commission meetings were also conducted by telephone. The office reopened in June, with employees alternating between working from home and in the office to limit the number of people in the office at any one time. These adjustments allowed the Commission staff to remain both healthy and productive.

The Commission staff and Commissioners participated in the annual SECA (State and University Employees Combined Appeal) drive for charitable giving. The Commission won the Division 7 title for the 2019 campaign for the largest percentage of participation in small agencies as well as an Exceptional Giving award for exceeding the previous year's donations.

## **DUTIES OF THE COMMISSION**

Guided by merit philosophy, the members of the Commission and its staff carry out the following statutory responsibilities:

1. To approve or disapprove personnel rules or their amendments promulgated and submitted by the Director of Central Management Services.
2. To approve the classification plan submitted by the Director of Central Management Services, and approve proposals for new or amended class specifications and for the abolition of existing classes under the classification plan.
3. Upon recommendation of the Director of Central Management Services, the Commission approves the exemption from Jurisdiction B of those positions which in its judgment bear principal administrative responsibility for the determination or implementation of policy. The Commission monitors the use of these positions to ensure their continued eligibility for exemption.
4. Upon identification of instances of noncompliance, the Commission is responsible for ensuring the enforcement of the Personnel Code and Rules through the issuance of directives for compliance.
5. For certified employees who are discharged, suspended for more than 30 days in a twelve-month period, or demoted, the Commission hears and determines the written charges and renders decisions which are binding upon the employing agency.
6. The Commission hears appeals by certified employees who are involuntarily transferred from one geographical area to another, or who question the allocation of their position under the classification plan.
7. The Commission hears or conducts an investigation of layoff appeals by certified employees where the basis of the appeal is that provisions of the Personnel Code or Rules have been violated.

During fiscal year 2020, the Commission was active in these areas as the following detailed report indicates.

### **(1) REVIEW OF PERSONNEL RULES**

The drafters of the Personnel Code envisioned broad enabling statutes giving the Director of Central Management Services extensive discretion to implement the provisions of the Code through the promulgation of rules. As a check and balance to this power, the Director is to submit proposed rules and/or amendments to the Commission, and the Commission has the authority to disapprove them. During fiscal year 2020, the Director of Central Management Services submitted one amendment to the Personnel Rules on Section 303.112 Sick Leave Bank.

## (2) CLASS SPECIFICATIONS

A sound system of position classification is essential to carry out the objectives of a merit personnel system. The classification plan establishes the basis for ensuring that employees performing work of the same nature, level of difficulty and complexity are paid within the same salary range, dependent on length of service and excellence of performance. The specifications further set forth the legal requirements for selection of those who desire to enter state service and the promotion of present employees who seek advancement within the career system. So that personnel decisions can be based upon the factual basis of existing assignments, the position classification system identifies the duties performed and responsibilities assigned by individual employees. The Commission has the responsibility of approving all amendments to the classification plan including class specifications. During fiscal year 2020 the Commission reviewed and acted on 57 amendments to the classification plan.

New classes approved	11
Revised classes approved	42
Abolished classes approved	<u>4</u>
	<u>57</u>

## (3) EXEMPTIONS OF PRINCIPAL POLICY POSITIONS

A long-standing significant issue in merit systems is the determination of those positions which should be subject to appointment and dismissal at the discretion of the administration. In the Personnel Code, the legislature specifically provided for most major exemptions, such as those for all positions in the legislative and judicial branches, of directors and assistant directors of executive agencies, and of members of boards and commissions. In positions below the director, assistant director, board or commission level, the legislature chose to grant the Director of Central Management Services and the Civil Service Commission joint authority to exempt positions from Jurisdiction B of the Personnel Code. Under this provision, agencies request that a position be deemed exempt, and the Director of Central Management Services issues a recommendation as to whether positions that bear principal administrative responsibility for the determination of policy or principal responsibility for the implementation of policy should be exempted. This recommendation is then submitted to the Civil Service Commission for approval.

The Commission acts by approving or denying exemption requests recommended by the Director of Central Management Services. Clarifications of these positions are evaluated to ensure that only positions that continue to qualify for exemption remain exempt. The Commission received a total of 92 exemption requests in fiscal year 2020. Of those, 87 were granted exemption, two were denied and three were withdrawn. The Commission rescinded the 4d(3) exemption from 12 positions.

### (4) RULE VIOLATION AND COMPLIANCE ACTIVITY

A merit system can only be as effective as the people who administer it will permit. Recognizing that pressures exist to circumvent the merit system and to provide a bulwark against the erosion of merit system standards, the legislature placed in the Civil Service Commission the responsibility for ensuring that personnel activities are carried out in compliance with the Personnel Code and Personnel Rules along with the authority to direct compliance where it finds violations.

In carrying out this mandate, the Commission investigates all allegations of noncompliance furnished to the Commission or brought to the attention of its staff to determine whether there was a violation of the statute and/or its implementing rules. There were eight rule violation appeals filed and eight decisions rendered on appeals of Personnel Code and/or Rule Violation allegations in fiscal year 2020. One decision resulted in a finding of no violation, three were withdrawn after being settled by the parties, and four decisions resulted in the appeals being dismissed for default and/or lack of jurisdiction. There were three rule violation appeals pending as of June 30, 2020.

## **(5) APPEALS OF DISCHARGE, SUSPENSION OVER 30 DAYS IN A TWELVE-MONTH PERIOD, AND DEMOTION**

The Civil Service Commission is responsible for conducting hearings on appeals of discharge, suspensions totaling more than 30 days in any twelve-month period, and demotion. The Commission has the power to administer oaths, subpoena witnesses, and compel the production of books and papers in accordance therewith. When an employee receives a written notice of discharge, they may appeal the action to the Commission. The appeal must be filed within 15 days after service of the written notice of discharge. The Commission then schedules a hearing within 30 days. At the hearing, the employee has a right to counsel, may call witnesses and introduce evidence, and may question the witnesses who testify against him under oath. The burden of proof is upon the agency to prove that the employee committed the alleged infractions and that discharge is the appropriate discipline.

In fiscal year 2020, there were 32 discharge appeals filed and the Commission rendered decisions in 23 appeals. The Commission reduced discharge to suspension in five appeals and denied one appeal (upheld the discharge). One appeal was upheld, and the employee was reinstated with no discipline. Five appeals were dismissed for lack of jurisdiction because they were either exempt employees, filed a grievance, or filed untimely. Two appeals were dismissed for default. The remaining nine appeals were withdrawn or settled. There were 18 pending discharge appeals as of June 30, 2020.

There were two suspension appeals filed during fiscal year 2020 and four decisions rendered by the Commission. Three appeals were withdrawn, and one appeal was settled. There were no pending suspension appeals as of June 30, 2020.

The Commission is also responsible for hearing appeals of employees who have been demoted in their positions. Although this is not an active area, it is important that employees have a right to appeal if they believe they have been unjustly demoted in their position. No demotion appeals were filed during fiscal year 2020. There were no pending demotion appeals as of June 30, 2020.

<sup>1</sup> The total exceeds the number of employees discharged and suspended because multiple charges were made against several employees.

## **(6) APPEALS OF GEOGRAPHICAL TRANSFER AND ALLOCATION**

Employees who are involuntarily transferred from one geographic area of the state to another may appeal such transfers to the Commission. One geographical transfer appeal was filed during fiscal year 2020 and was later withdrawn. There were no geographic transfer appeals pending as of June 30, 2020.

The Commission is also responsible for hearing employees' appeals from decisions of the Director of the Department of Central Management Services where an employee believes that their position is improperly allocated. In allocation appeals, the burden is on the employee to prove the Director of Central Management Services has not properly classified their position. No allocation appeals were filed during fiscal year 2020. There were no pending allocation appeals as of June 30, 2020.

## **(7) APPEALS OF LAYOFF**

The Personnel Rules allow the layoff of certified employees due to lack of funds, material change in duties or organization, lack of work, and the abolition of a position or for any of these reasons. Employees who feel that they have been laid off in violation of the Personnel Code or Rules may, within 15 days following the effective date of layoff, file a written appeal to the Civil Service Commission. The Civil Service Commission is authorized to investigate the allegations made by the employee in the layoff appeal and may conduct a hearing if it is determined that substantial issues of fact or law remain unresolved. When the investigation is complete, a proposal for decision is issued by staff and submitted to the employee and agency. If adopted by the Commission, the decision becomes a final administrative decision. There was one layoff appeal filed during fiscal year 2020. One appeal was dismissed for no jurisdiction because the employee was not laid off. There were no pending layoff appeals as of June 30, 2020.

## DECLARATORY RULING

The Rules of the Civil Service Commission allow for Declaratory Rulings as to material questions involving the interpretation of the Personnel Code, Personnel Rules, or final orders of the Commission upon petition by interested or effected parties. Declaratory Rulings are only advisory. No requests for Declaratory Ruling were filed during fiscal year 2020. No requests for declaratory ruling are pending as of June 30, 2020.

## COMMISSION WORKLOAD Total Appeals Closed or Pending

As of June 30, 2020, there were a total of 21 appeals pending, with two of those from fiscal year 2019.

The chart below reflects the processing time for appeals that were concluded during fiscal years ended June 30. The time is calculated from the date the appeal was filed to the date the final decision of the Commission was rendered. This calculation is consistent with that reported on the Public Accountability Report issued by the Office of the Comptroller.

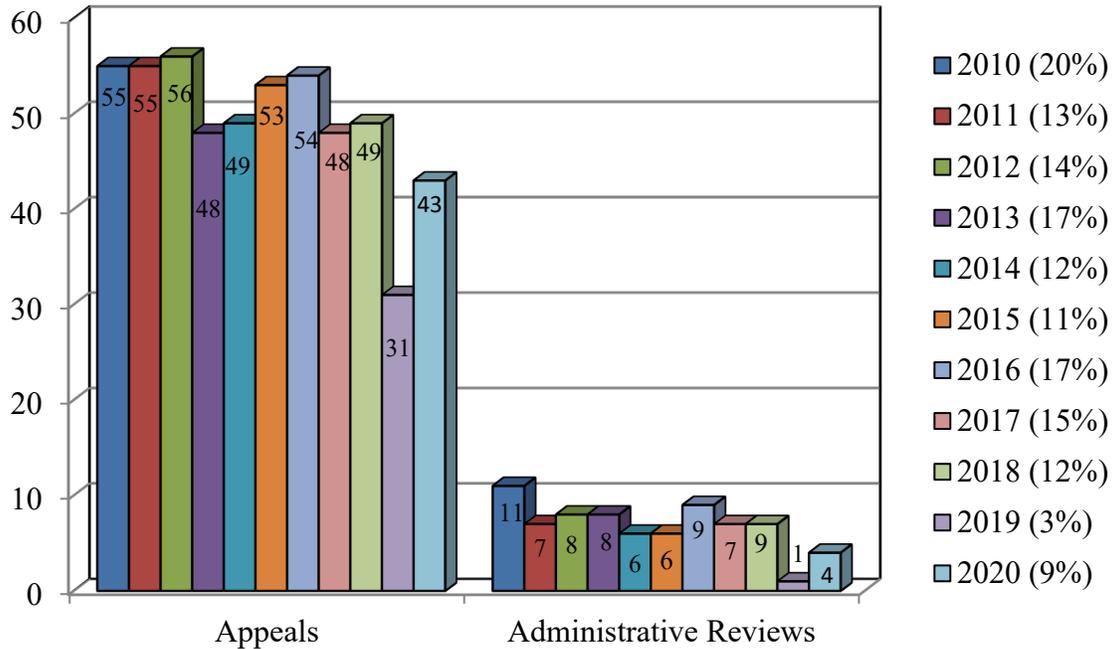

### AVERAGE PROCESSING TIME (The goal is 180 days or less.)

The average processing time for 2020 was 143 days which was under the goal of 180 days. The average processing time of 314 days for fiscal year 2019 would have been 174 days if three appeals (from FY 2010, FY 2016 and FY 2017) were removed from the calculation.

## ADMINISTRATIVE REVIEW

Parties that wish to appeal decisions of the Commission may do so in accordance with the provisions of the Administrative Review Law (735 ILCS 5/Article III). The following chart shows the number of administrative reviews compared to the number of appeals filed with the Commission for each fiscal year. If an appeal was filed during fiscal year 2016 and one of the parties filed for Administrative Review during fiscal year 2017, the statistic will be counted for fiscal year 2016.

The following table shows the results and status of Administrative Reviews that were filed for fiscal years 2010 through 2020. This table shows Administrative Reviews by the year the appeal was filed, not by the year a court decision is ultimately rendered. The total of number of Administrative Review decisions can exceed the total number filed for the same year because decisions by both the Circuit Court and Appellate Court (if the Circuit Court decision was appealed) are counted separately.

	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020

## **GRIEVANCE COMMITTEE**

The Director of Central Management Services is required to appoint a grievance committee to hear Step 4 grievances comprising two employees of Central Management Services and one Commission employee with experience and knowledge in personnel administration and employee relations. The Commission participated in no Grievance Committee Meetings in Fiscal Year 2020.

## **TRAINING**

In order to administer the State's merit system, agency administrators must have knowledge and expertise in all areas of personnel. Dealing with problem employees is often the most intimidating and frustrating aspect of personnel administration. It is the Commission's belief that while regrettable, discipline up to and including discharge is a necessary component of a good personnel system. The Commission, in an effort to make administrators aware of the requirements of successfully dealing with the disciplinary process, has offered agencies instruction in the disciplinary process. Numerous informal discussions on related issues occurred throughout the year between Commission staff and Agency administrators.

The Commission staff is available to employees and agency administrators to respond to a variety of procedural inquiries regarding the operation of the Commission.

## **INTERAGENCY COMMITTEE ON EMPLOYEES WITH DISABILITIES**

The Chairman of the Commission is an ex officio member of the Interagency Committee on Employees with Disabilities that operates with no budget and no paid staff, and relies on the technical and financial support of its members and their respective agencies. The Chairman, through a representative of the Commission, participates in monthly meetings and disability awareness events throughout the year to address the diverse issues and concerns of the persons with disabilities employed by executive agencies of the State of Illinois.

## **STATE HISPANIC AND BILINGUAL EMPLOYMENT PLANS**

The Civil Service Commission does not discriminate on the basis of religion, race, national origin, sex, age, handicap, or any other non-merit factor in providing employment opportunities.
