Administrative Matters
Goldberg announced the addition of the Expatriate company restrictions list to the purview of the Sudan/Iran Restrictions Committee.

Goldberg announced his prior appointment of Mahoney to serve on the Israel Boycott Restrictions Committee and the Iran/Sudan/Expatriate Restrictions Committee.

Report from the Committee on Israel Boycott Restrictions
Goldberg reported on the meeting of the Committee. Goldberg reported that ISS-Ethix had not yet provided further information regarding TOBAM Core Investment. He further reported that, per communications from ISS-Ethix indicating, that the Committee recommended that the IIPB add three additional companies as engaging in Israel Boycott pursuant to the statute: Sampension Kp Livsforsikring A/S, DNB ASA, and PFA Pension Forsikrings AS. The Committee further recommended that notice be sent to same and that they be subsequently added to the Israel Boycott Restrictions list.

Goldberg also reported on a report provided by the Israel American Committee on an additional company, Storebrand, which supported that it is a company engaging in Israel Boycott. The Committee voted to recommend to the IIPB that Storebrand be identified as a company boycotting Israel, that notice be sent to same, and that it be subsequently added to the Israel Boycott Restrictions list.
Mahoney moved (seconded by Atwood) that IIPB accept the recommendations of the Committee. The motion passed (6-0).

**Report from the Committee on Sudan and Iran Restrictions**
Atwood reported that the Committee met earlier. Atwood reported that new lists for Sudan restrictions and Iran restrictions had been produced using recommendations from ISS-Ethix. The Committee recommended to put over adoption of the lists until the 6/13 meeting of the Board so that the retirement systems could evaluate the new lists.

Atwood also reported on the status of creating the expatriate company list required to be established by IIPB by April 1, 2018. The following companies were identified by Sustainalytics, IIPB’s vendor, as expatriate entities pursuant to the Illinois statute: Nabors Industries Ltd., James River Group Ltd., Rowans Cos. Plc., Samsonite International SA, CardTronics, Theravance Biopharma Inc. The Committee recommend that the IIPB accept the Sustainalytics list as submitted and to notify each company on that list of its being identified as an Expatriated Entity. The Committee further recommended that an asterisk be placed at each entity name indicating “Pursuant to 40 ILCS 5/1-110.16, the IIPB was required to include companies identified as expatriated entities in the list of restricted companies by April 1, 2018. Notice has been sent to these companies pursuant to 40 ILCS 5/1-110.16(e)(1) prior to taking final action.”

Noven moved (seconded by Ingram) that IIPB accept the recommendations of the Committee. The motion passed (6-0).
