**RE: Draft 2019 Procurement Plan**

**DATE: August 15, 2018**

In accordance with Section 16-111.5(d)(2) of the Public Utilities Act, the Illinois Power Agency (“IPA”) hereby presents its Draft 2019 Electricity Procurement Plan for the period of June 2019 through May 2024 (“Draft Plan”) for review and comments. The Draft Plan sets forth a procurement approach to secure sufficient electricity, capacity and associated transmission services, plus any required demand response, to meet the supply needs of eligible retail customers served by Ameren Illinois, Commonwealth Edison, and MidAmerican.<sup>1</sup> The Draft Plan is designed “to ensure adequate, reliable, affordable, efficient, and environmentally sustainable electric service at the lowest total cost over time, taking into account any benefits of price stability.”<sup>2</sup>

Section 16-111.5(d) sets forth the process for commenting on the Draft Plan. Statutory deadlines include the following:

**Friday, September 14, 2018:** Affected utilities and other interested parties are given thirty days following the date of the posting (August 15) to provide comments to the IPA on the Draft Procurement Plan.

Comments are required to be “specific, supported by data or other detailed analyses, and if objecting to all or a portion of the procurement plan, accompanied by specific alternative wording or proposals.” (220 ILCS 5/16-111.5(d)(2) [emphasis added])

**Friday, September 28, 2018:** The IPA has fourteen days following the end of the 30-day review period to revise the Draft Procurement Plan, as necessary, based on the comments and to file the Plan with the Illinois Commerce Commission (“Commission”). (See 220 ILCS 5/16-111.5(d)(2))

**Wednesday, October 3, 2018:** Following filing of the Plan, within five days, any person objecting to the Plan may file an objection with the Commission. (See 220 ILCS 5/16-111.5(d)(3))

<sup>1</sup> The IPA’s 2019 Electricity Procurement Plan, like the 2018 Electricity Procurement Plan, does not cover the procurement of renewable energy resources, following the enactment of Public Act 99-0906. That domain is left under law to the IPA’s Long-Term Renewable Resources Procurement Plan, approved by the Commission in Docket No. 17-0838.

<sup>2</sup> 220 ILCS 5/16-111.5(d)(4).

**Monday, October 15, 2018:** The Commission, within ten days, must determine whether a hearing is necessary.<sup>3</sup> (See 220 ILCS 5/16-111.5(d)(3))

**Thursday, December 27, 2018:** Deadline for the Commission to enter its order confirming or modifying the Procurement Plan. The Commission must enter an order confirming or modifying the Plan within 90 days after it is filed by the IPA. Please note that the current ICC calendar indicates the last scheduled meeting prior to that deadline is on Wednesday, December 19, 2018. (See 220 ILCS 5/16-111.5(d)(3))

While the above dates are the only statutorily-mandated deadlines, upon filing of the Final Procurement Plan, the Commission may determine the need for an additional comment or briefing period in addition to, or in lieu of, hearings.

In addition to the dates above, the IPA will hold three public hearings to receive public comment on this year's Procurement Plan:<sup>4</sup>

**Wednesday, September 5, 2018, 9:30 am – 10:30 am:** MidAmerican Moline Customer Office, 716 17th Street, Moline, Illinois.

**Wednesday, September 5, 2018, 1:30 pm – 2:30 pm:** Illinois Commerce Commission Springfield Office, 527 East Capitol Avenue, Springfield, Illinois. Hearing Room C.

**Thursday, September 6, 2018, 2:00 pm – 3:00 pm:** Illinois Commerce Commission Chicago Office, 160 North LaSalle Street, Chicago, Illinois. Room N801.

A call-in number to listen to the hearings will be available upon request. **Public comments will only be taken from participants present in person at the hearing.**

Please note that the public hearings may be adjourned early if there are no public comments remaining. Parties unable to attend the public hearings may submit written comments as described herein.

The IPA looks forward to parties' comments and suggestions. To expedite the review process, the IPA respectfully asks parties to make any suggested changes to the Draft Plan in redline format.

**Comments on the Draft Plan should be submitted to Mario Bohorquez, Planning and Procurement Bureau Chief, at [mario.bohorquez@illinois.gov](mailto:mario.bohorquez@illinois.gov) by September 14, 2018.**

Comments will then be formatted for posting to the IPA's website at: <http://www.illinois.gov/ipa>.

<sup>3</sup> In the past, the Commission has interpreted Section 16-111.5(d)(3) as requiring a Commission determination 10 days after Objections are due (See Docket No. 12-0544, Notice of Administrative Law Judge dated October 10, 2012); if the Commission determines that 10 days after Objections is the appropriate deadline, it must rule on a hearing by Monday, October 15, 2018. (Because the date ten days after Objections falls on a Saturday (October 13, 2018), this determination must be made by the following Monday.)

<sup>4</sup> Section 16-111.5(d)(2) requires that "[d]uring this 30-day comment period, the Agency shall hold at least one public hearing within each utility's service area for the purpose of receiving public comment on the procurement plan." These public hearings are being held to satisfy this requirement.
