Subject: [External] Technical Comments Regarding the 2020 Draft Electricity Procurement Plan

Good Afternoon Mario,

Please see below for Technical Comments regarding the Electricity Procurement Plan that resulted from our review of the Plan. Please let me know if you have any questions.

- 1) Figure 3-4 Supply Obligation in Ameren Illinois' Forecasts, found on Page 19, contains a Typo in the 4th planning year grouping. Reads 2022-2024, should read 2023-2024.
- 2) Page 19, 3.2.4 Load Shape and Load Factor, PP 1: Language references Figure 3-6 but reads Figure 3-8.
- 3) Appendix E, Table E-7: Planning Year 2020-21 is repeated causing the 5 year span to only go out to Planning Year 2023-24.

I would appreciate confirmation you have received this email.

Thank you,
