

STATE OF ILLINOIS
REQUEST FOR PROPOSAL
ILLINOIS POWER AGENCY
PROFESSIONAL SERVICES – PROCUREMENT PLANNING CONSULTING
Reference Number 20-RFP-01

The Illinois Power Agency (“Agency” or “State”) is issuing this Request for Proposals (“RFP”) seeking qualified and responsible experts or expert firms (“Offerors”) to serve as a Planning Consultant who will primarily assist the Agency with the development of the Agency’s annual Electricity Procurement Plan, the biennial revision of its Long-Term Renewable Resources Procurement Plan, the annual Zero Emission Standard Payment Calculation Notice, the Illinois Power Agency Annual Report, and potentially other responsibilities.¹ A brief background and description are set forth below.

The Agency welcomes responses from Qualified Offerors able and willing to meet the requirements of this RFP. A Qualified Offeror is an Offeror on the list of respondents to the Request for Qualifications previously issued by the Agency (20-RFQ-01) that was determined by the Agency to be qualified, and that was not the subject of a reasonable objection to that determination by an interested party.² Only Qualified Offerors may submit a response to this RFP. Evaluation of responses to this RFP and responses to the prior related RFQ will form the basis for determining the selected Offeror(s) for a contract award.

BACKGROUND: The Agency serves as the authority for the procurement of standard “wholesale products, including energy and capacity, delivered to or otherwise used to meet the supply requirements of the eligible retail customers (i.e., default supply customers) of Commonwealth Edison Company (“ComEd”) and Ameren Illinois Company (“Ameren”), and for the Illinois service territory of MidAmerican Energy Company (“MidAmerican”),³ collectively the “Utilities.” The Agency is also responsible for the procurement of renewable energy credits (“RECs”) to fulfill the State’s Renewable Portfolio Standard requirements per the Illinois Power Agency Act (20 ILCS 3855/1-5 *et seq.*) and Section 16-111.5 of the Public Utilities Act (220 ILCS 5/16-111.5). Each of these requirements is met in part through the development of procurement plans submitted to the Illinois Commerce Commission for review and approval.

The Illinois Power Agency Act states that “The Agency shall each year, as needed, issue a request for qualifications for experts or expert consulting firms to develop the procurement plans in accordance with Section 16-111.5 of the Public Utilities Act.”⁴ If selected through this RFP process, the selected Offeror will be expected to enter into a binding contract with the Agency.

¹ As an example, the scope of work for the Planning Consultant could be expanded by proposed legislation requiring the development of a new state-based capacity procurement strategy for the electric load within the portion of Illinois served by PJM. See, e.g., HB 3624/SB 2132 and HB2861/SB 660 from the 101st Illinois General Assembly.

² The required procedure for determining whether objections by interested parties are reasonable is described in Section 1-75(a)(3) of the IPA Act (20 ILCS 3855/1-75(a)(3)). The Agency posted a list of Qualified Offerors on its website on October 30, 2019.

³ As defined in Section 16-111.5(a) of the Public Utilities Act, eligible retail customers “means those retail customers that purchase power and energy from the electric utility under fixed-price bundled service tariffs, other than those retail customers whose service is declared or deemed competitive under Section 16-113 and those other customer groups specified in this Section, including self-generating customers, customers electing hourly pricing, or those customers who are otherwise ineligible for fixed-price bundled tariff service.”

⁴ 20 ILCS 3855/1-75(a)(2).

INTRODUCTION

This Solicitation is exempt from the procedures in the Illinois Procurement Code (30 ILCS 500) pursuant to Section 1-25(2) of the Illinois Power Agency Act (20 ILCS 3855/1-25(2)) and contains alternative bidding procedures pursuant to Section 20-10(i) of the Procurement Code (30 ILCS 500/20-10).

BRIEF DESCRIPTION: The Agency seeks a Procurement Planning Consultant (“Planning Consultant”) that will primarily assist the Agency with the development of the Agency’s annual Electricity Procurement Plan,⁵ the biennial revision of the Long-Term Renewable Resources Procurement Plan,⁶ the annual Zero Emission Standard Payment Calculation Notice,⁷ and the Illinois Power Agency Annual Report.⁸

Additionally, legislation has been proposed in Illinois that would change the process for the procurement of capacity for the PJM region of the state, in part responding to possible action by the Federal Energy Regulatory Commission.⁹ Should such legislation ultimately be enacted, the Agency is likely to be the lead implementer of a state-run capacity market, and the Planning Consultant would be expected to support the Agency in the development of any plans required for that implementation.

The Agency will evaluate responses to the RFP to determine the Offeror(s) best suited to serve as the Agency’s Planning Consultant. The resulting contract with the awarded Offeror(s) is expected to have an initial term of March 1, 2020 through December 31, 2020, with the possibility for renewal for four additional years.

Please read the entire Solicitation and submit a Proposal in accordance with the instructions. All forms and signature areas contained in the Solicitation must be completed in full and submitted with the check list, technical proposal, pricing proposal, disclosures, and various attachments, which combined will constitute the Proposal. Do not submit the instructions pages with Proposals. Offerors should retain the Instructions and a copy of the Proposal for future reference.

This competitive process may require that Offeror provide additional information and otherwise cooperate with the Agency. If an Offeror does not comply with requests for information and cooperate, the Agency may reject the Proposal as non-responsive to the Solicitation. Submitting a Proposal does not entitle Offeror to an award or a contract. Posting Offeror's name in a Bulletin notice does not entitle Offeror to a contract.  - (i) Definitions of the different Illinois retail customer classes for which supply is being purchased

¹¹ A copy of the approved 2019 Procurement Plan is available at https://www2.illinois.gov/sites/ipa/Pages/Current_Approved_Plan.aspx.
