

Long-Term Renewable Resources Procurement Plan Update Request for Comments

July 6, 2021

The Illinois Power Agency (“IPA” or “Agency”) has issued Request for Comments #1 to solicit stakeholder feedback as the Agency prepares to release the draft of the second Revised Long-Term Renewable Resources Procurement Plan (“Long-Term Plan”). This Request for Comments covers topics discussed at the June 25, 2021 Long-Term Plan Workshop 1 held by the Agency, which included discussions on legislative updates, RPS overview, equity, diversity & labor standards, and utility-scale procurements. Responses are due **July 19, 2021**. Request for Comments #1 [can be found here](#).

As a reminder, the IPA is hosting its second and third Long-Term Plan Update workshops on **Wednesday July 7** and **Tuesday July 13** from **1pm-4pm CDT**. These workshops will be held virtually through WebEx and require registration in advance. Information on workshop agendas and links to register [can be found here](#).
