REVIEW

The 1996 racing year was marked by significant change, most notably the appointment of new members and a new chairman to the Racing Board. On July 9th the Board's chairman, Gary Starkman, announced his resignation after six years of distinguished service. Mr. Starkman was appointed to the Board by Governor Edgar in 1990.

The Governor named Gene Lamb of Champaign as the Board's new chairman. Mr. Lamb has been a Board member since 1991 and has had a life-long association with the horse racing industry. He is president of Champaign Asphalt Company and a member of the Board of Directors of the Association of Racing Commissioners International.

Also appointed to the Board were James Kane of Long Grove, Louise O'Sullivan of Chicago and Dr. Joseph DiPietro of Urbana.

Mr. Kane has served as chairman of the Governor's Horse Racing Task Force and was integral in the formulation and passage of recent horse racing legislation. He is a partner in the Chicago law firm of Schiff, Hardin and Waite.

Mrs. O'Sullivan is president of Groen/A. Dover Industries of Elk Grove Village. She is active in numerous civic and charitable groups and is a trustee of Kendall College and a member of the Board of Directors of the University of Chicago Executive Program Club.

Dr. DiPietro served on the faculty of the University of Illinois School of Veterinary Medicine until December when he accepted the position of Dean of the University of Florida School of Veterinary

Medicine. Dr. DiPietro's unexpected departure from Illinois necessitated his resignation from the Board late in the year.

Despite heavy competition from riverboat casinos both in Illinois and Indiana, total parimutuel handle in 1996 was \$1,232,867,396 which represented a 2.5% increase over calendar year 1995 and only a .5% decline from calendar year 1994. The first full year of operation under legislation authorizing full-card simulcasting saw Illinois racing fans bet more than \$572 million, or almost half of all handle, on simulcast races from other states. In addition, over \$551 million was bet in other states on Illinois simulcasts. Total purses paid in 1996 was the second highest ever at \$95.6 million, just shy of the 1990 record of \$95.8 million. However, the decline in handle on Illinois races resulting from full-card simulcasting will trigger a 1997 purse recapture of \$9.7 million.

One of the most memorable and exciting events in Illinois racing history occurred at Arlington International Racecourse on July 13th when the great thoroughbred CIGAR won his 16th consecutive race to tie the 46 year old record held by CITATION. More than 34,000 fans were in attendance at Arlington and a record \$13 million was handled.

Disbursements from the racetrack improvement fund totaled \$3.1 million in 1996. Arlington upgraded its dormitories, barns, backstretch roads and stable kitchen, painted the saddling barn pavilions and water tower, performed maintenance improvements on both its turf

and dirt courses, installed desk type seating in the grandstand, and purchased new television cameras and track equipment.

Balmoral completed a number of improvements to its backside and grandstand facilities totaling more than \$850,000. Remodeling projects included the third floor clubhouse, grandstand restrooms and a new dining room floor. Upgrades were made to the television, video and photo finish equipment. A new paddock receiving barn was also constructed.

Hawthorne improved its HVAC systems, added televisions for full-card simulcast centers in the grandstand and clubhouse, and remodeled backstretch restrooms all at a cost of over \$750,000.

Maywood made roof and asphalt paving repairs, performed remodeling improvements to the backstretch restrooms and dormitories, purchased track equipment and built a track surface material storage building at a cost of approximately \$550,000.

The Illinois Racing Board Laboratory reported 37 postrace positives and 233 controlled medication violations in 1996. The laboratory continued participation in the International Association of Racing Commissioners Quality Assurance Program and in the International Proficiency Testing Program conducted by the Association of Official Racing Chemists, maintaining a perfect score on all blind and proficiency samples.

The laboratory operates with the most comprehensive ELISA testing program in the country, performing up to 60 drug specific ELISA tests per sample. The installation of new automated equipment allowed the laboratory to reduce staffing costs in 1996 without any reduction in testing services or quality.

The Board issued 760 disciplinary rulings in 1996, and collected \$96,175 in fines.

Illinois' expertise and leadership in the area of parimutuel auditing was signified by the appointment of parimutuel director Marc Laino to oversee the audit of the national Breeder's Cup pool at Woodbine racetrack on October 26th.

The 1996 harness horse of the year was KOOCHIE. This 2-year-old filly won \$128,937 in 1996 and captured the first million dollar bonus offered by the Illinois Department of Agriculture. KOOCHIE was driven and trained by J.D. Finn and owned by Orville and J.D. Finn. In 18 starts, KOOCHIE had 15 wins, 1 second and 2 thirds.

The 1996 thoroughbred horse of the year was POLAR EXPEDITION. This was the third Horse of the Year award for the James Cody owned gelding. Trained by Hugh Robertson, POLAR EXPEDITION won \$295,348 in 1996 and had a record of 4-2-2 in 10 starts. POLAR EXPEDITION is now the all-time Illinois-bred earnings leader with \$1,206,031 and a lifetime record of 16-4-5 in 36 starts.
