Arlene,

Please disregard the earlier correspondence on the proposed alternative payment structure. It was an oversight on my part, but the version you received contained some editorial mistakes. Please use following two attachments.

**Subject:** FutureGen 2.0 Power Purchase Agreement Alternative Payment Structure

Dear Director Juracek:

Attached please find two files relating to a proposed alternative payment structure for the FutureGen 2.0 power purchase agreement. One file contains confidential financial information, and is marked as such, and will only be distributed to those entities which have executed the Non-Disclosure Agreement with the Alliance. The other file can and will be distributed to all of the parties involved in the PPA discussions.

The Alliance will also be distributing this information to the utilities and the ARES today.

If you would like to discuss this material in advance of the July 3rd meeting I would be happy to arrange for a conference call.
