Communication Details:

Provide a detailed summary of the points made by each person involved in the communication:

Mr. Champagne advised that the Alliance had received feedback on the draft sourcing agreement for the FutureGen 2.0 project from ComEd and Ameren as well as Constellation Energy. He advised that the Alliance intended to continue discussions with the utilities and ARES and would make

appropriate changes as agreed. Mr. Champagne asked whether the IPA intended to accept an amended version of the sourcing agreement that the Alliance previously submitted. Director Juracek confirmed that the IPA planned to include the draft sourcing agreement for the FutureGen 2.0 project in the draft Procurement Plan for 2013. Director Juracek stated that the IPA would accept a revised version of the sourcing agreement and asked that the Alliance provide the IPA with a revised version before August 15th so that version could be included in the draft Procurement Plan. Mr. Champagne stated that the Alliance would continue working on making appropriate changes to the draft sourcing agreement even after the draft sourcing agreement was included in the draft Procurement Plan. Mr. Champagne also advised that the Alliance had scheduled a meeting with Levitan & Associates on August 7th in Pittsburgh.
