Importance: High

CONFIDENTIAL DOCUMENT ATTACHED

Dear Director Juracek:

On behalf of Alliance, attached please find electronic file relating to an update of FutureGen's Project Cost and Ratepayer Impact Analysis report provided to the IPA on June 14, 2012. THIS DOCUMENT IS CONFIDENTIAL AND COMMERCIALY SENSITIVE BUSINESS INFORMATION AND SUBJECT TO THE NON-DISCLOSURE AGREEMENT BETWEEN THE ALLIANCE AND THE IPA.

This updated report is intended to provide the IPA with most recent capital and operating cost estimates used to forecast the reference case cost of electricity using the formula rate in the proposed power purchase agreement. The changes in the capital and operating costs were a result of continued discussions with DOE and their advisors and the financial community. While certain of costs have increased, principally the project's capital estimate, the incremental ratepayer impact is still well below the statutory rate caps in the IPA Act.

The Alliance intends to provide this report and additional information to the Illinois Commerce Commission next week requesting confidential treatment of the material.

If you have any questions, please do not hesitate to call me.

Sincerely,

Paul Champagne
