Subject: Ameren Illinois Forecast Update - 1 of 2 Emails

Arlene,

Ameren Illinois has filed a summary of its updated load forecast in the procurement plan docket.

I have attached a cover letter which provides additional discussion and have also attached the spreadsheets that form the basis for the filing. The size of the files requires that I sent them in two emails. In addition, the second email will contain the password for the RPS file. Please let me know if you have difficulty opening any of the files or have any questions.

After today, I will be taking vacation the remainder of the week. Should you have an urgent matter, please send me an email and I will attempt to respond on Saturday or Sunday or when I return to the office on Monday.

Sincerely,

**Rich McCartney :: Manager, Power Supply Acquisition :: T 314.613.9181

Arlene,

The password for the RPS file provided in the previous email is [REDACTED]

Attached is the file pertaining to the energy forecast. This file is quite large, so if it bounces back to me, I will send a zipped version.

Sincerely,
