

Office of the State Fire Marshal

MEMORANDUM

TO: All Licensed Contractors and Licensed Inspectors

FROM: Robert Capuani
Director, Elevator Safety

DATE: March 12, 2009

RE: BOARD DECISION – CATEGORY 1 PRESSURE TEST
CLARIFICATION

At the February 19, 2009 Elevator Safety Review Board meeting the Board determined that there were insufficient independent licensed inspectors throughout the State to keep up with the demand for Category 1 pressure tests.

It was decided by the Board to allow all licensed elevator contractors State-wide who have licensed inspectors employed by them to witness Category 1 pressure tests provided that a licensed mechanic performs the test.
