

Hosting a Qualified School Inspector Class in Your Community

Have you considered hosting a Qualified School Inspector Class in your Community?

OSFM is always on the lookout for departments willing to host Qualified School Inspector training.

The basic requirements needed to host a class are:

- Minimum of 5 registered candidates
- Adequately sized room with PowerPoint capabilities
- Coffee, cups, sugar etc.

OSFM will supply:

- Outreach and advertising of the training date and location
- Registration of candidates, along with all required paperwork
- Presentation of the training curriculum
- Other refreshments for the attendees

Training takes approximately 3.5 hours and all attendees will receive certificates upon completion of all course requirements.
