The examination process used to establish your eligibility for appointment to a position title differs depending upon the skill sets and requirements of the title. Certain titles require automated testing (AT), which involves a series of multiple choice questions and/or performance tests. Other titles are graded based on the applicant's education, training and/or experience as reported on the CMS-100 application (TX). Applicants receive grades based upon their examination performance. Information on all position titles is available at the assessment centers or on the website. **Note: A separate application is usually required for each title and option for which you test.**

Titles are separated into two examination administration groups. **Group A titles are administered continuously.** Group A titles requiring automated testing are administered at the assessment centers on normal testing days and hours. Applications for Group A titles requiring an evaluation of applicant education and experience should be sent for grading to CMS Division of Examining & Counseling, Room 500 Stratton Office Building, Springfield, IL 62706. **Group B titles are referred to as "closed" titles.** Applications are graded or examinations administered only upon agency request. Applications are for Group B titles are maintained on file until an agency requests the exam be administered or for a maximum of one year. All Group B applications should be sent to the CMS Division of Examining & Counseling in Springfield.
